

1 Reflect

What does 2020 mean to you? How did you feel in November 2016? How have you felt since then? What's at stake for you in 2020? Why do you think we need to "win everything"?

2 Visualize

Imagine waking up on November 4, 2020—the day after the election ... How do you want to feel on 11/4/20? What do you want to have personally accomplished?

3 Commit to Your 2020 Personal Action Plan

How will you make sure we win everything in 2020? How often will you commit to the following activities? When?
